

Welcome!

Welcome to the Coastal No Adverse Impact Design Charette and Digital Coast Partnership Meeting!

We're excited to have you join us in our nation's capital as we explore strategies to build safer, more resilient coastal communities. With guidance from coastal management experts in the room, we'll dive into practical tools, case studies, and collaborative discussions that support sustainable development without increasing flood risk to others. For additional information, visit the event page at no.floods.org/DCmeeting2025.

We'd especially like to thank Woolpert and NOAA's Office of Coastal Management for their generous support of this program and the Reservoir Center for Water Solutions for hosting us. We hope that the information presented and connections made during this convening will be beneficial to you, your organizations, and your organizations' members for years to come. Thank you for being part of this important work—we look forward to your insights and participation!

Getting to the Meeting Location

The workshop will be held off-site at the Reservoir Center for Water Solutions. (301 Water St SE, Washington, DC 20003).

Visitors should enter the ground floor lobby via the main entrance at 301 Water St. From the lobby, the second floor can be reached via stairs or elevator, where a receptionist can assist you with navigating the building.

- From the Hampton Inn & Suites hotel, it is roughly a 9-minute walk.
- By DC Metro, take the green or red line to Navy Yard Metro station. Follow signs for the Department of Transportation. From the M St. exit it is an 8-minute walk to the Reservoir Center. For more information on using DC Metro check out WMATA Trip Planner.
- By bike, there are three Capital bikeshares close to the facility, located at 3rd & Tingley St. SE, 4th & M St SE, and 1st & N St SE.
- By car, there are three parking lots to choose from: The Yards Lot Q at 425 Tingey St SE (one block away), SP+ Parking at 1275 New Jersey Ave SE, and Colonial Parking at 300 M St SE.

Reminder: You should receive an email from the Reservoir Center asking you to create an account for tracking and security purposes - this will greatly simplify check-in on the day of the meeting. The subject is "You're Invited to Reservoir Center for Water Solutions..." Please do this beforehand, as you will have to do it on-site if you have not already done it.

Meals

Coffee, tea, water, granola bars, fruit, etc. will be provided throughout the day each day. Lunch will be provided on Wednesday afternoon only. We will be placing a group order for lunch from Maman on Thursday, please use the following link to submit your lunch order by 5:00 PM on Monday, July 7th - <https://forms.gle/cLTynnLTZosk85Ta8>. Dinner will not be provided.

Travel Assistance

If you requested travel assistance, please keep receipts for travel-related expenses, other than meals, which will be reimbursed at the per diem rate. We will follow up later with the reimbursement spreadsheet and instructions. Please remember we can only support up to \$1700 per individual.

Organization	Attendees

^ Business meeting only

Agenda

Day 0: Coastal Communities Caucus Hill Briefing

Tuesday, July 8 | 3:00 - 4:00 PM

Rayburn House Office Building: 45 Independence Ave SW, Washington, DC 20515, Room 2045

Meeting Goals | To share the importance and utility of the Digital Coast with Congress.

The Coastal States Organization has arranged a number of wonderful speakers:

- Mike Friis, Wisconsin Coastal Management Program
- Cirse Gonzalez, Chesapeake Bay National Estuarine Research Reserve
- Colleen Kiley, North Carolina Center for Geographic Information and Analysis
- Eric Poole, Florida Association of Counties

Rebecca Dennis, the CSO Director of Federal Affairs, will moderate. Each panelist will have 5-8 minutes to present remarks on how they use Digital Coast resources in their work. The presentations will be followed by a moderated Q&A session. The Caucus will provide light refreshments for the event. Everyone is welcome to attend!

Day 1: Coastal No Adverse Impact Design Charrette Wednesday, July 9 | 8:30 - 4:15 PM

Reservoir Center for Water Solutions ([map](#)): 301 Water St SE, Suite 200, Multipurpose Room, Washington, DC

Meeting Goals | To create a shared vision and an enhanced approach for ASFPM's coastal NAI content and training series that addresses community needs.

Objectives |

- Raise awareness about the coastal NAI training series so that each participant:
 - Understands how coastal NAI content and training can be used for their constituents.
 - Sees a role for their communities/constituents in promoting and/or doing the training.
 - Understands how they can be involved in this training curriculum development.
- Understand and identify who wants to be part of the review and/or product development phase.
- Approve an outline for the training series.
- Consider options for in person training

July 9, 2025 | 8:30 AM to 4:15 PM

8:30 AM	Welcome and Coffee
9:00 AM	Opening Remarks and Workshop Objectives
9:45 AM	Overview of the Coastal NAI Framework
10:15 AM	Intersections with Partners' Work
11:00 AM	Morning Break
11:15 AM	Content & Training Outline Walkthrough
11:45 AM	Partner Review and Feedback of Content
12:20 PM	Lunch (Provided)
1:20 PM	Barriers to Implementation
1:50 PM	Partner Review and Feedback of Resources
2:25 PM	Afternoon Break
2:40 PM	Report-Out and Discussion on Partner Review
3:00 PM	Next Steps and Timeline
3:15 PM	The Future of Coastal NAI
4:00 PM	Wrap-Up and Close Meeting
5:00 PM	Happy Hour (at Solace Brewing, Bluejacket if raining)

Day 2: Digital Coast Partnership Business Meeting

Thursday, July 10 | 8:30 - 4:00 PM

Reservoir Center for Water Solutions ([map](#)): 301 Water St SE, Suite 200, Multipurpose Room, Washington, DC

Meeting Goals | To gather in person for partnership building; to ensure cross-organization connections; and to advance shared priorities that extend the reach and increase the value of Digital Coast.

Objectives |

- Review the Climate Resilience Regional Challenge (CRRC) technical assistance project and identify opportunities for partnership support.
- Continue exploring new partnership opportunities and strategies to strengthen collaboration at both national and local levels.
- Share updates on working group progress and align on priorities moving forward.

July 10, 2025 | 8:30 AM to 4:30 PM

8:30 AM	Welcome and Introductions
9:00 AM	NOAA Update
10:00 AM	Morning Break
10:15 PM	Climate Resilience Regional Challenge Technical Assistance
12:15 PM	Lunch
1:15 PM	Growing the Partnership and Strategic Engagement
2:45 PM	Workgroup updates
3:15 PM	Afternoon Break
3:30 PM	Strengthening Regional and Local Connections
4:00 PM	Wrap-Up and Close Meeting
